

DO YOU PAY TAX?

AND

DO YOU CONTRIBUTE MORE THAN €255 IN THE ENVELOPE AND DUES
COLLECTION EACH YEAR?

IF SO HERE IS SOME GOOD NEWS FOR YOU.

P.A.Y.E. Taxpayers:

P.A.Y.E. taxpayers who contribute more than €255 to the Parish in the weekly and dues envelopes can sign a form by which the Parish can claim a tax rebate of either 20% or 41% depending on your tax band.

This means that on €255 contributed to Kilmysall Parish funds we can get an extra 51 or 102 euros from the Revenue Commissioners.

Self-Assessment Tax Payers:

Those who are on self assessment system can also benefit by this scheme. Again if you pay in excess of €255 per year you can obtain from the Priest a form which confirms that you have made such a contribution and this is included with your tax returns and forms the basis of tax credits. You, the taxpayer, in this situation benefits directly and will be allowed a tax credit of 51 or 10 euros on a contribution of €255. In this situation we ask all who pay tax by this system to increase their contribution accordingly.

ANOTHER IDEA

Have you ever considered paying your weekly envelope and the dues by DIRECT DEBIT? Some people find that the weekly envelope does not suit them and it is much handier, perhaps, to pay by direct debit. The idea is fast becoming popular in many parishes and some may consider it suitable. If so don't hesitate to contact me.

THE FUTURE

In the coming months the Parish Council will be discussing these issues and as there will be a serious need for funds in the current year we will be contacting each household to see how each person can contribute to making light of the large debt that will arise in this current year. Then we can see if any of the tax schemes will suit you or what form of payment is most suitable to each household.

If you have any views on the matter please contact any member of the Parish Council.
