THOUGHT FOR THE WEEK

'Jesus, who reconciled all things in himself, restored marriage and the family to their original form (cf. Mt 10:1-12). Marriage and the family have been redeemed by Christ (cf. Eph 5:21-32) and restored in the image of the Holy Trinity, the mystery from which all true love flows. The spousal covenant, originating in creation and revealed in the history of salvation, takes on its full meaning in Christ and his Church. Through his Church, Christ bestows on marriage and the family the grace necessary to bear witness to the love of God and to live the life of communion. The Gospel of the family spans the history of the world, from the creation of man and woman in the image and likeness of God (cf. Gn 1:26-27), to the fulfilment of the mystery of the covenant in Christ at the end of time with the marriage of the Lamb.' (cf. Rv 10:9)⁵⁶. **Pope Francis**
