THOUGHT FOR THE WEEK

In the second reading from St James today we hear of a condemnation of the rich who exploit the weak. This theme carries on in the gospel where Jesus has harsh words for anyone who would try bring down "the little ones". It is a lesson in tolerance. As we approach the end of this annual celebration of the Season of Creation let today's gospel be a call to care for the weak and vulnerable.

Through our exploration of the earth's goods, it is the poorest of the world who suffer. Let us always be conscious of our responsibility to be stewards of creation, to connect more deeply with the wondrous world around us, to take action against all that threatens our natural environment.

In a few days we celebrate the Feast of Saint Francis (October 4th), patron saint of ecology. Perhaps by hosting a blessing for animals, a local clean up, trying to go plastic free, we can mark this special time in some way and embrace our role as stewards of creation.

"God of love, show us our place in this world as channels of your love for all the creatures of this earth, for not one of them is forgotten in your sight. Enlighten those who possess power and money that they may avoid the sin of indifference, that they may love the common good, advance the weak, and care for a world in which we live. The poor and the earth are crying out." Laudato Si, 245
