## THOUGHT FOR THE WEEK

In today's Gospel, Jesus uses the image of a great banquet to explain God's vision for our world. He speaks of a place where those who consider themselves entitled to the highest seats at the table take the low seats. He urges us to invite the poor, the lame and the blind to this celebration. Jesus encourages us to turn the world upside down in a reversal, an upheaval, where the preferred option is for the poor and those considered least in society.

Today is an important day, as we begin the Season of Creation (from 1 September until the Feast of St Francis on 4 October.) Pope Francis asks all Christians to embrace this season in prayer, in living more sustainably and in raising our voices in the public sphere. We are invited to think more deeply about what is happening at present to the Earth, the environmental destruction which now threatens our world, our common home. The theme this year is "The Web of Life." The most vulnerable among us are suffering most deeply as this web of life begins to unravel. Our faith calls us to respond to this crisis with urgency. Let us hear the Gospel message today, where we are called to consider those on the margins, including those most at risk from climate change, and let us commit to working towards a world where we are all seated at the banquet.

**Suggestion for the week:** Find out more and see what you can do as a parish community during this season of creation at [www.seasonofcreation.org](http://www.seasonofcreation.org)
