THOUGHT FOR THE WEEK

The image of a boat in a stormy sea is a symbol of life in difficult times and is an image of the inner turmoil, anxiety and high emotions we then experience. Has your faith in the presence of the risen Jesus been a help to you? Recall the memory and give thanks.

The image can also be applied to a family, a community, a parish, or any other group. Perhaps a 'Jesus-person' in the group came to your assistance and calmed you down? Remember people who have had a gift of bringing you peace in troubled situations.

The significance of miracles in the gospels is that they show Jesus as one who brings God's power to bear on human need and suffering. Have there been times when you have been a channel for this healing power of God, holding a crying child in your arms, calming the anxiety of a friend, or being a peacemaker in a group to which you belong?

THE HOOK OF FAITH THIS WEEK

'Hope Does Not Disappoint' is the theme of Pope Francis' message to the Church in advance of the Jubilee year of 2025. We feature the whole document and include some extracts as newsletter inserts. We have a homily for the Twelfth Sunday of Ordinary Time where Jesus calms the storm and some more resources for this 'Year of Prayer'. In an article entitled 'Miracles at Knock: Encounter, Art and Healing', Jim Thompson reflects on a recent visit to our National Shrine. We reflect on the witness of Saints John the Baptist, Peter and Paul in advance of their feast days and offer an article on St Irenaeus and why he is still a pivotal player in how we understand Christian faith today. As summertime begins, we have an article on the importance of rest and renewal. Bishop Robert Barron shares advice to young priests to follow their gifts and conclude with more light and inspiration from Lorcan Brennan. Check out these and other resources available at www.thehookoffaith.com
