THOUGHT FOR THE WEEK

Jesus had spent much time teaching his followers that discipleship was a life of service, a life of giving oneself for others. In spite of that James and John were thinking of what they could get out of it. For Jesus, for the apostles, and for each one of us, the glory of God is revealed when we allow God to work through us as we give ourselves for others. When have you found that you reach a fuller life, and others benefit, when you act in this spirit of service?

One of the great problems in a community, a parish, or an organisation, is when you have some people jockeying for status and positions of power. The good of the group and the people it serves take second place to personal prestige. You have probably seen this happen. Perhaps you have also witnessed people with a spirit of service that allowed them to value the good of the group over personal rewards. Recall them and give thanks for their witness.

Is it not true that people who are servant leaders are also good listeners? This is at the heart of the synodal process being promoted by Pope Francis for communities at all levels in the Church. How is good listening being promoted on communities to which you belong? What encourages you to be a good listener?

Jesus himself is the great model of this spirit of service. Think of the aspects of Jesus' life and ministry that have inspired you to imitate his giving of his life for others.

We need more volunteer drivers to be able to deliver hot meals to the growing number of people in our community who request the service. Each Sunday evening, drivers commit to approx. one hour drive on one of the days, for the forthcoming week via a WhatsApp group - not an arduous commitment. If you think you can spare an hour on an intermittent basis, please contact Brigid on 0872699411 to discuss. **Thank You.**
